

# THE JOURNEY BEGINS

***“Back to Basics” – The Way It Was:  
Trudging the Road of Happy Destiny with the use the  
Big Book of Alcoholics Anonymous  
in Four One Hour Sessions***

*Mark your calendars & join us in exploring a design for  
living that works, through the 12 Steps.  
A series of workshops based upon the work of AA pioneers in  
the mid 1940's.  
Beginners were led through the 12 Steps – using the only  
book they had, i.e., the Big Book -  
in FOUR ONE HOUR consecutive sessions.  
All are invited to take the same guided journey thru this  
miraculous experience.  
The pioneers found “The Solution” with all its promises  
(about 72 that I counted) and over 75% recovered.  
Please pass this on; it may be a life changer.*
