

**“Back to Basics” – The Way It Was:  
Trudging the Road of Happy Destiny with the Big  
Book  
in Five WEEKLY One Hour Sessions**

*Mark your calendars & join us in exploring a design for living through the 12 Steps. A series of workshops based upon the work of AA pioneers in the 1940's. Beginners were led through the 12 Steps – using those in the only book they had, i.e., the Big Book - in FOUR consecutive weeks. We do it in FIVE. All are invited to take the same guided journey thru this marvelous experience. The pioneers found “The Solution” with all its promises (about 72 that I counted) and over 75% recovered. Please pass this on; it may be a life changer.*
