Organized by AA members: 'Back To Basics' meeting - Mondays @ 6:45 PM at the YANA

The event is organized by members of AA to benefit of their fellow members. All are welcome to join and gain skills, insights, and have a spiritual experience as the result of having taken the steps.

"Here are the steps we took, not the steps we sat around and talked about."

* The Back to Basics format brings the 12-step program to life using a proven format utilized in the 1940's. Join others for a first-hand experience one way to take each of the 12-steps as described in the 'Big Book', locate key passages, experience how they work together, gain new insights, and how to "Pass It On" .

Scholarship donations are needed !

All proceeds from this event are pledged to carrying the message.
